The Detail Description of POP UP Stands :

Exhibition frame is one of the most effective and easiest way to present message of large format. You can take and show it anywhere you want, and it can be set up in just a few minutes without any tools.

One of the advantages of our exhibition frame is: coming with springs, it is so easy and quick to open and close the frame.

Using the worldwide popular style and the high quality aluminum-alloy as material. The popup has the following advantages: Durable, firm structure, light, carry conveniently, operate briefly, you can change the graphics at will without damaging the popup.

The size can be made as required.
