The Detail Description of Scrolling Roll Up Frame :

The Scrolling Roll-Up Frame is a 3-message display 'on the smaller side' for indoor and point-of-purchase usage with beautiful frame. They are available in different sizes and can turn both horizontally and vertically. The scrolling roll-up frame are very shallow to allow them to be wall mounted, built in or made to stand alone. These displays are just what you need to triple your advertising or promotional space.
